

Ambulatory Surgery Center (ASC) Optimization Policy Implementation January 15, 2025

December 4, 2024

Dear Providers,

Effective January 15, 2025, SilverSummit Health Plan is implementing an Ambulatory Surgery Center Optimization policy. Selected procedures (see Table 1) will not require authorization if performed in an ASC. Authorization will be required for all providers if the selected procedures will be performed in an Outpatient Hospital Setting-place of service 19 and 22 and must meet medical necessity.
