

Dear Provider,

Ambetter from SilverSummit Healthplan is grateful for your participation in our Value plan and the care you provide our members. Each year, we conduct a comprehensive review of our market operations and footprint to best align our network strategy and resources. As of Jan. 1, 2025, the Value plan in Nevada will be discontinued. We are committed to ensuring you have all the resources available to make this transition as smooth as possible for you and your patients. Our other Ambetter from SilverSummit Healthplan offerings will still be available in Nevada.

While our plan offerings are changing, our commitment to delivering quality care and services to our members is unwavering. Members will be notified about this change in the coming months and may be given alternative Ambetter from SilverSummit Healthplan options.

Thank you for your continued partnership as we work to transform the health of the communities we serve, one person at a time.

Sincerely,

Ambetter from SilverSummit Healthplan
