

New Provider Type 87 (Crisis Services) Available for Enrollment

September 6, 2024

Dear Providers,

The Division of Health Care Financing and Policy (DHCFP) has created provider type (PT) 87 (Crisis Services) to provide mobile crisis intervention services. The new PT 87 is available for enrollment on September 1, 2024, through the [Online Provider Enrollment](#) portal. The enrollment checklists will be available on the [Provider Enrollment](#) webpage.

The following specialties have been established under PT 87:

- Specialty 031 (Designated Mobile Crisis Team (DMCT))
- Specialty 032 (Designated Mobile Crisis Team Attached to a CCBHC)
- Specialty 250 (Crisis Services)

Once a provider is enrolled and active as a PT 87, they may begin to submit claims under their new PT 87 following the prior authorization and billing requirements. When available, these requirements will be found in the new PT 87 Billing Guides, which will be posted on the [Billing Information](#) webpage.

Thank you,

SilverSummit Healthplan
